EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Paul Strain on May 9, 2008.

The application has been amended as follows:

Please replace all earlier versions of claim 6 with,

6. A molded part formed of a foamed or non-foamed ethylene-propylene-diene ternary copolymer that is coated with the coating agent composition of claim 1.

Applicant had been advised that, in the Examiner's estimation, claim 6 did not claim a coated molded part as had been intended. The Examiner proposed that Applicant replace amended claim 6 with the claim presented supra and Applicant indicated that they were amenable to this modification.

Applicant has amended the claims so as to stipulate that the spherical rubber particles, component (E) are those comprising crosslinked (meth)acrylate polymer or urethane polymer. This amendment does indeed overcome the prior art rejection and

Art Unit: 1796

the only reference that the Examiner found that would have been properly combinable with *Shimozu* and *Fujii/Matsumoto* to render the amended claim unpatentable, U.S.

Patent Application Publication No. 2006/0222870 does not qualify as prior art in view of its later effective filing date. Accordingly, claims 1 and 3-6 are deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MARC S. ZIMMER whose telephone number is (571)272-1096. The examiner can normally be reached on Monday-Friday 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jim Seidleck can be reached on 571-272-1078. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
